Evensong and Rededication Service

After several years of planning, fundraising, and hard work, our Organ Restoration Project is finally in its home stretch! Join us tonight at 5pm for our Evensong and Organ Rededication Service as we celebrate this exciting milestone. Evensong is a traditional church service centered around music, scripture, and prayer. Our sanctuary was designed with music in mind, providing a beautiful setting for the music to come alive. If you enjoy the music on Sunday mornings, you'll love what we have planned for tonight!

A special thank you to our choir, Fr. Bill, and all of our guest musicians for the time and talent they've put into this service. We also want to recognize Wendell Ballantyne, who drove to Illinois with Fr. Charles to personally retrieve the organ when it was first purchased. Our choir has been hard at work preparing, and they've never sounded better. We hope you'll join us for this special evening!

Ahoy, Mateys! We Need a Boat!

Land ho! Our preschoolers are looking for their next big adventure, and we need your help! Our playground used to have a wooden boat for little sailors to climb aboard and let their imaginations set sail. Sadly, our old boat has sailed off into retirement, and we're hoping someone in our St. Wilfrid's family might have one to donate. It doesn't need to float or even be seaworthy. It just needs to be ready for some imaginative adventures on dry land! Have an old boat you'd like to donate? Contact our Preschool Director, Ms. Peggy, via email at Peggy@stwilfridschurch.org. Full speed ahead!

Advent Altar Flowers

During the Advent season, our altar will be adorned with greens rather than flowers. Sponsorships will return in January. Special thanks to our Flower Guild: Lynette Hansen, Natalie Lim, Laura Groth, and Lily Tisu!
