Readers will together offer the Gospel lesson in a myriad of languages, reenacting the coming of the Holy Spirit that enlivened the early church in Acts 2. Please call Terry in the church office at (714) 962-7512 if you are interested in being a part of this special annual Day of Pentecost Gospel reading.

Enroll now for our excellent Song School

The Song School has plenty of room and scholarships available for more children to join the free after-school music program! The schedule involves one rehearsal per week on Tuesdays, as well as dinners and social activities.

This is a music education program for girls and boys aged 7 to 13. The children learn musicianship skills, music theory, aural skills, and singing technique. They also show inspiring progress as respectable individuals, cherishing and developing their understanding of discipline, teamwork, and responsibility. Please help us spread the word throughout the OC community!
