Prayer and Fellowship at 3318 Redwood Lake, Kingwood, The Rensberger's home. The atmosphere in this group is casual with an emphasis placed on sharing our lives in a safe and judgement-free place. The desire of the members of this group is that we support one another as life happens around us, that we become the women that God desires of us by studying His Word and learning to obey Him in all things, and that we take what we have learned back our into the workplaces, neighbors and home that we find ourselves.
