Sermon Series - Restored from the Inside Out

Our world pushes change through pressure and performance. Scripture invites us into something better. In this four-part series, we'll explore how God restores the soul, renews the mind, and forms us through the peace of Christ—leading to true, lasting health from the inside out. Join us as we learn to slow down, be still, and trust the transforming work of God.

Budget and Elder Vote

2026 Budget Approved with Strong Support

We are grateful to share that the 2026 Church Budget was approved with overwhelming support from the congregation. This vote reflects our shared vision and commitment to the ministries and mission of our church. The approved budget will support worship, outreach, discipleship, and the ongoing work of serving our church family and community.

Thank you for your faithful generosity and stewardship. Your giving allows the church to remain strong, responsive, and focused on God's calling. As we look ahead to the coming year, we encourage continued prayerful giving in support of the ministry we share together.

Please note that a congregational vote to renew Steve Owens as Elder for an additional three-year term will take place on Sunday, January 18. We invite all members to be present and participate in this important decision.

Practicing The Way: Sabbath

Sabbath is a 24-hour time period set aside to stop, rest, delight, and worship. In our era of chronic exhaustion, emotional unhealth, and spiritual stagnation, few things are more necessary than the recovery of this ancient practice.

Join us Wednesday evenings in January at 6pm in the Worship Center for this study on Sabbath.

Essentials of Faith 3: Why Do We Need the Bible?

The Bible is a wonderful book with poetry, historical events, exciting narratives, and stories

from the life of Jesus. But because it is an ancient text, it can also be intimidating and confusing. Its complexity makes many people wonder if we even need the Bible—can't we experience God without it? In this six-session series, author and Bible teacher Lisa Harper unpacks the value and importance of the Bible for everyday believers. In this series, we will learn about what the Bible is, how God communicates with us through it, and why we should read it

Hope At Home: After 70 years, the exile was over, and God brought His people home to Judah. Through the prophet Zachariah, God spoke a message of hope to His people about what would happen in the future. The people began to rebuild the temple so that they would have a place to worship God. Years later in Persia, God used Esther to save His people through her bravery and sacrifice.

Big Picture Question: How did God plan to fix what sin broke?

Answer: Before HE created the world, God planned to send the Messiah.
