

Over the last several weeks the Elders have worked in tandem with our staff to prayerfully and faithfully respond to the Covid-19 pandemic.

- ◆ We launched an online worship service.
- ◆ We challenged our small groups to come together, love and look after one another (you did an amazing job small groups!).
- ◆ We've prayed faithfully and done our best to listen to our Civic leaders and lead the church forward through this difficult time. We will continue to do so for our King.

Request:

Be prayerfully considering how you can be of service as the church building continues to be used to make disciples in Cookeville, Putnam County and to the ends of the earth.

Bolo:

Be on the lookout for updates to the small group programs.

We love you and we are praying for you. We covet your prayers as we continue to walk forward together.

Yours in Christ,

The Elders and Staff of First Christian Church

DOWN & DIRTY

Hey First Christian family we are so excited about Small Groups 2.0! We've learned some very important lessons about the vital role small groups play in our mission to reach, teach, connect, and send disciples.

We will relaunch Small Groups on Sunday, August 2nd, with a picnic at our pavilion. The time will be announced later.

If you're already in a small group this is a great opportunity to take the next step. If you're not in a group this will be the perfect opportunity to start or join a group and begin experiencing the power of relationships in the body of Christ.

More information will be coming in the next few weeks!
