

*Enter into his gates with thanksgiving, and into his courts with praise.
Give thanks to him and praise his name.*

Psalms 100: 4- 5

Bluebird 3's November 2018 Newsletter

Words cannot express how blessed we are to teach at Bluebird Preschool! October was a fun month learning about God's beautiful autumn with fall crafts, stories, and our class harvest party! Thank you to all parents who planned party activities and special treats!

November's theme is "Helping Others and Giving Thanks". Our Bible stories will include David and Goliath, Daniel and the lions, and Jonah and the whale. Children will also hear stories, songs, poems, and information about the first Thanksgiving which will include artwork for home and for our school hallway. We will focus on letters/sounds D, E, and F, rhyming pictures and words, and number recognition. Please practice counting objects at home with your child and practice writing first names. Please remember capital letter for first initial and lowercase for the rest of the letters.

NO school on Tuesday, November 6th (Election Day)

Wednesday, November 14th will be picture day for all 3's classes. Additional info about this will be sent home soon.

There is no school Wednesday, Nov. 21 and Thursday, Nov. 22 due to the Thanksgiving holiday.

Save the date of Wednesday, December 19th for our Christmas celebration and program. This is not a regular school day. Children will wear Christmas holiday attire and all family members are welcome to join us.
Program time is: 9-10am

No school for the 3's classes on Thursday, December 20th as the 2's, 4's and PreK classes will be having their parties that day.

As we enter this beautiful season of Thanksgiving, we are thankful for the opportunity to teach your precious little one! If you have any concerns or questions, please feel free to contact us at any time.

Blessings to all!

Ms. Emily and Ms. Rebecca

PS. A few reminders: Please have your child use the restroom before school. Also, please make sure your child comes to school with a coat. We will be outside the next few weeks as long as it's not rainy or freezing cold.
