

Monday 2's January Newsletter

Welcome Back!!

Although this month has been abbreviated with the holidays, our Bluebirds clearly remember our routine! We jumped right back into the swing of things. Craft time included making snowmen with foam paint, as well as painting colorful snowflakes inside plastic bags. Lots of fun switching up our techniques and exploring new ways to be creative!

Our focus on socialization and appropriate school behaviors will continue. We will also be expanding our learning times with additional activities involving the alphabet, numbers 1-10, colors, etc.

Potty Training

So many of you are tackling this important milestone! We celebrate any and all efforts! And for those that have potty training ahead, we are here to support you. Keep us informed and we'll do what we can to help!

Change of Clothes

If you have not already, please send in a change of clothes in a bag labeled with your child's name. We like to keep these on-hand in case of spills or accidents.

Looking Ahead

Sock Day - Now that we have our routine established, it's time to add in some extra fun. On February 4th, we'll invite the kids to show off their favorite socks with a sock day. We'll encourage each of our Bluebirds to tell us about their socks and why they love them. A little silliness, change in routine, and speaking to the group all in one. Should be great fun!

Valentine's Day - We will have a Valentine's party for our Bluebirds in class on February 11th. If you would like, please send in 9 treats, one for each child. We will have a special snack and pass out treats to each other. Class time and our overall routine for the day will remain the same.

No school - We will not have school on February 18th due to the President's Day holiday.

Ms. Beth, Ms. Kristin, and I are so glad to be back with your little ones! As always, should you have any questions or concerns, please don't hesitate to contact me.
