

## Monday 2's March Newsletter

### What have we been up to?

Our classroom is always busy! Last week, we read my favorite version of the Itsy, Bitsy Spider. The spider keeps trying new ways to make it up the spout and is finally successful with some creative thinking. For some hands-on fun, we built our own spout using paper towel and toilet paper rolls. We then put our creation to the test with everyone taking turns sending their own fuzzy down the spout. It was such fun to watch and hear their reactions. So much smiling and cheering! Our goal is to expose them to the next step in preschool and provide additional learning opportunities. These are some smart kiddos and it's so fun to see how excited they get when we unveil a new adventure!

### Clothing

We love to get our 2's outside whenever possible! Please send your child with a jacket and in play shoes so that we can enjoy our playground to the fullest!

### Evaluations

I am currently working through evaluations by completing a few a week. It's amazing to sit back and reflect on where we began. Our goals feel lofty at the start but by this time in the year, they are pros at this school thing! I am so proud of each of them. If you have any questions about your child's evaluation, please reach out to me. All evaluations will be sent home no later than April 29th.

### Dates for the Calendar

Spring Break - April 1st-7th

Classes Resume - April 8th

Last Class Day - May 6th

End of Year Party at Tower Park - May 8th 9am-10am. A parent/guardian must remain at the park with each child. All of our Bluebird 2's classes will be together for this party. It's a wonderful way to meet future classmates and their families.

As always, should you have any questions or concerns, please don't hesitate to contact me.
