Bluebird 3's March 2019 Newsletter

Welcome Spring! Everything will finally turn green as we enter this glorious Spring season!

This month we will focus on Jesus' miracles and forgiveness. We will continue our "Special Student Days" and continue letter/sound association, number recognition, and name recognition.

Students are so excited about our Treasure Chest incentive for good behavior. Donations for the treasure chest are always welcome!

Thanks to all parents who helped with our Valentine parties! We appreciate your help and support so very much!

Blessings for a wonderful Spring!
