

How good God is to the upright, to those who are clean of heart!

Ps. 73:1

Dear Parents,

Only 5 weeks left of school! We hope all of you enjoy Spring Break!

This month we will explore Spring & Butterflies. Our Painted Lady caterpillars will arrive the week of April 15th. It will take approximately 3 weeks for the transformation from caterpillars to butterflies.

Grandparents Day is Thursday, April 18th from 12-1pm. We will have an Easter Egg hunt and the grandparents will help make a craft. Please send in 6 plastic eggs with your child's name on the outside of the egg by April 15th.

We will begin units on Oceans. On April 24th we will have a "beach day" as part of our Ocean Unit. The children may come in beach wear (flip flops, shorts, beach hat, sunglasses, etc.) and can bring a beach towel. Weather permitting, we will play on the plaza with beach toys and have popsicles. If Mother Nature doesn't cooperate, we will use the Big Room.

We will finish the alphabet, Mother's and Father's Day crafts and begin practicing songs for our Graduation Ceremony. A busy month!

Looking ahead: We will have a picnic at Tower Park on **Wednesday May 8th from 12-1pm**. Just bring your Bluebird and a picnic lunch and enjoy time with your child's classmates and their families. All family members are welcome to attend and at least one adult must stay with your child. We will not have regular class that day.
