## Bluebird 4's January Newsletter

We hope all of you had a wonderful and blessed Christmas! Thanks to all who were able to attend our Christmas program and party. We were so proud of your children and their performance at the Christmas program. They were fabulous!

Welcome to winter! The month of January finds us working on our Winter Unit. We will talk about weather and read books about snowy days and snowmen. We will be doing a science experiment involving ice. Also, we'll talk about animals and hibernation as well as winter activities and clothing of people in cold climates. We will discuss our 5 senses which include many fun activities.

We will be printing the letters Mm, Nn, Oo and Pp. We'll have units on rhyming and opposites. Crafts, games, songs and more! A busy month.

### *Special Days –*

**Wednesday Jan. 16**    **Benny Collier and Ella Kyle**  
**Wednesday Jan. 23**    **Emma Corriveau and Ryan Novosel**  
**Wednesday Jan. 30**    **Avery Couch and Addison Stortz**

**Wednesday January 16th** - We will have **Show-N-Tell**. The children are so excited about their new Christmas toys that they may bring in one toy (that fits in their tote bag) and can be played with and shared with others. Be sure it is not fragile. Please **NO** weapons (guns, swords, etc.)

### **Monday January 21st**

**NO SCHOOL** – Martin Luther King Day

**Progress reports are being sent home this month. They will let you better evaluate your child and his/her progress so far this year. Please call me if you have any questions or concerns.**

As always, if you have any questions or concerns, don't hesitate to call me!

Enjoy winter!
