

Wow! Can you believe that it is almost Spring? We have a very busy month planned! Read on!

The 1<sup>st</sup> week in March we will be talking about the letter /Zz/ and focusing on the animals we might see at the zoo. On Wednesday, March 6<sup>th</sup> we will have a representative from the Cincinnati Zoo coming to Bluebird and sharing some animals with us! This is always an awesome experience for everyone. It is always exciting wondering what animals they will bring! (Ms. Lori is hoping for the cute furry kind over the 8 legged or scaly varieties!) Gracie has her special day on March 5<sup>th</sup>.

Our second week we will be focusing on the letter /Yy/. We will be making something fun and yucky! St. Patrick's Day is Sunday so we will also be making a cute holiday themed craft. Thursday we will be doing some fun St Patrick's Day activities. I sure hope those naughty leprechauns leave our classroom alone this year! In the past they like to visit our preschool and have a little fun at our expense. Sometimes though they leave us something shiny to say they are sorry! Tucker and Connor have their special days on March 13<sup>th</sup>.

The third week of March we will be focusing on the letter /Oo/. We will be learning about oceans and the animals that live there. We also will be working with opposite words. Ms. Caren has a fun craft planned and in Ms. Renee's center the students will be doing a science experiment. Since this letter is easy to write we will also be reviewing the letters we have learned so far also. We have Ministry Moments on Monday, March 18<sup>th</sup>. Isaiah and Louie have their special days on March 20<sup>th</sup>.

The last week of March will be about the letter /Gg/. We will be talking about things that grow in God's world! We will talk about what makes a plant grow and even plant our own plant! On Monday, March 25<sup>th</sup>, a Bluebird friend that works for the Campbell County Cooperative Extension Services as a certified arborist will be planting a tree with our classes! This will happen at 10:30am during our overlap. This tree will be here long after our Pre-K Bluebirds fly the nest. All are welcome to attend this but I will of course be snapping a ton of pictures too! Euan and Henry have their special days on March 27<sup>th</sup> (the last of our special days!)
