

Monday 2's February Newsletter

We have had a great time this month with Valentine's crafts and books! Our in class exchange was a wonderful opportunity for the kids to practice following directions, patience, and manners. It was such fun to see their faces light up when a treat was to their liking. Thanks to all of you for sending in things to share!

Clothing

The all too brief run of warm weather recently has us looking forward to getting our Bluebirds outside to our playground. Please remember to dress your child in play clothes and gym shoes to allow them to be active and safe.

Evaluations

Over the month of March, I will be working on progress reports. These are an informal assessment of the behaviors and capabilities that we see demonstrated during our class time. As always, I am happy to chat by phone, email, or in person about how your child is doing.

Birthdays

Birthdays are a big deal to our 2s! We have been celebrating these as they have come up throughout the school year. We sing to our birthday boy or girl and they get to have their moment. Several families have sent in a favorite snack to be shared or a treat to go home. While this is absolutely not necessary, the kids most definitely enjoy it. Our class has several summer birthdays and I certainly don't want those kids to miss out on their moment. I have attached a schedule of when we will be celebrating our remaining Bluebirds. If you would like to send something special in, you are welcome to do so. Otherwise, we will have them pick their favorite from our selection of snacks.

Looking Ahead

Some dates for your calendar...

Spring Break - April 2-6

End of Year Picnic at Tower Park - May 9th 9am-10am

As always, should you have any questions or concerns, please don't hesitate to contact me.
