For your convenience, the annual tuition fee may be paid in ten or twelve monthly installments. Each installment is due the 1st of the month. For the 10-month installment plan, payment #1 is due August 1, 2023 and payment #10 is due May 1, 2024. For the 12-month installment plan, payment #1 is due August 1, 2023 and payment #12 is due July 1, 2024. Tuition payments are considered delinquent if not paid by the 10th of the month. Trimont also offers direct debit options for your convenience and a credit card machine in the K-8 office.

If tuition is one month behind payment schedule you will be made aware that you will have 10 days to bring the account current or your child will not be able to attend. **Lunch accounts will not be allowed to be charged after accruing \$20 in charges.** No report cards or school records will be released until all accounts are paid in full.

Because tuition and fees only cover approximately 75-80% of annual costs, fundraising participation is an expectation of all TCA families. Please see the Financial Agreement for a more detailed explanation of fundraising participation.

A 3.5% tuition discount is given to accounts that are paid in advance for the whole year. Advance payment must be received by August 1st of each year to qualify for the discount. 3.5% discount (\$192.50) is on tuition only. Fees are not eligible for discount.
