It is conference time! Sign up sheets are now available at drop off and pick up. Conferences are a great time to talk with your child's teachers about how they are doing academically and socially. Teachers will discuss with you their recommendation for the next school year based on your child's development and growth. You will also receive a returning student registration packet for the 2024-2025 school year.

## 2024-2025 School year details

Registration will begin at 9:00 am on January 30th for current and returning families. Wonderland preschool strives to provide an amazing preschool with dedicated, talented and loving teachers as well as current curriculum and materials. ## Winter Weather Information

Yakima has been fortunate to have a mild winter so far, but we also know that January, February and March can sometimes be the coldest and snowiest months. Just a few little reminders to get through the rest of winter:

- \* We like to get outside for fresh air if the play ground is dry and temperatures are not frigid. Please make sure your child dresses appropriately for the weather and brings a coat, hat and gloves to school.
- \* When deciding whether to cancel school, Wonderland takes many factors into consideration; these include the current road and facility conditions, the weather forecast and staff/student safety. Notification will take place through email, the Wonderland Facebook page and the Remind app.
  - If the West Valley School District (WVSD) is closed due to inclement weather, Wonderland will also be closed.
  - If WVSD is delayed, we will make a decision that is safest for our staff and families which may be a late start or cancelation.
- \* When arriving to Wonderland be cautious of icy conditions, especially our parking lot. We rely on volunteers to clear the snow and ice from the large parking lot and sidewalks which is a big job!
