To Our Guests This Morning!

We are glad you're here and feel blessed to have the opportunity to worship with you. We would like to ask you to complete an attendance card and drop it in the offering. If you have children, they are always welcome in our worship service. For your convenience, a nursery is provided for newborn to 2 years old.

Celebrating Missions

Welcome Fred Asare

After 18 years of existence, the Village of Hope is giving hope to over 1000 children in all the activities they are engaged in. They are:

- 10 residential children's homes where the physical, emotional, nutritional and spiritual needs of 168 children are being provided every-day.
- A hospital that serves the children and the people from over 14 communities.
- 2 basic (elementary) schools that provide quality Christian education to over 1000 children.
- A (senior) high school educating students on the pillars of character, scholarship, service and leadership.
- A vocational training institute providing skills to former street children.
- A 50-acre farm where a few crops are grown to supplement the food needs of the children's homes.

Each of these ministries is designed to take care of the needs of a particular group of people. God is being praised and glorified in all things.
