Please see the next page for information about downloading the App for school closures

Henderson County has developed an app to be informed of weather-related closings and delays. You can find the News 13 WLOS App by searching for "WLOS" in the iPhone App Store or Android Market. Be sure to turn on notifications in your settings to get updates sent directly to your phone. To do this, click the settings button in the lower right of the WLOS app, then click "Manage Notifications." Once in your phone settings, click "Notifications" and enable "Allow Notifications."
