

WAYS TO BE PART OF FIRST UMC HENDERSONVILLE NOW

Welcome to FUMC! As we continue through this unprecedented time of doing our part to eradicate the COVID-19 pandemic and protect one another, it's important to know that we are still the church – and you can still be part of the church. We may need to keep “holy distancing” for the next few months, but we can always love, worship, grow in, and serve the Lord. Now more than ever, it is vital to stay connected and grow in our faith together as we trust God to lead us and use us for God’s kingdom purposes. Click on the links below to discover how you can be part of the First United Methodist Church family this winter. Keep checking back; we will update the offerings and events regularly. We will continue to reassess our plans for online and in-person options in light of the latest expert information from medical and scientific experts and guidance from our Bishop.
