

## **Volunteer Opportunities for Gift of Giving Party**

The Gift of Giving Party shares the spirit of Christmas by providing the children of the Boys & Girls Club of Henderson County an opportunity to select a few new items to give to their caregivers and to experience – often for the first time – the joy of giving. COVID-related concerns have prompted adjustments to the party's format. Although now streamlined, it still takes many hands to make this event possible. Volunteers are needed for the following tasks:

- Loading boxes and supplies for transport from FUMC to the Boy's & Girl's Club -- December 10 and 11
- Setting up the Boy's & Girl's Club's teen gym for the event -- December 11
- Working the gift tables and assisting the children with gift selection -- December 13 - 17
- Wrapping selected gifts in tissue paper and placing them in gift bags -- December 13 - 17
- Loading remaining boxes and supplies for transport back to FUMC -- December 17

To volunteer, visit the sign-up table in the reception area on Sunday, Nov. 21, 9:30 – 11:00 a.m., or contact Patsy Dupre at [patsydupre@aol.com](mailto:patsydupre@aol.com).
