## How Boutcha Church!

As we enter into the summer season let us reflect on all of the abundant blessings in our lives! For me the last year was very challenging, but it opened my eyes to how incredibly blessed we are to have this amazing worshipping community between Falun and Salemsborg. The lack of being able to meet and to be together last year was difficult, but it makes our time together now that much more significant! We are also entering the season of Pentecost! A writing from our Sunday's and Seasons says:

*Fifty days after Easter, we celebrate the outpouring of the Holy Spirit on Pentecost. Crossing all boundaries that would separate us, the Spirit brings the wideness of God's mercy to places we least expect it—to a crowd of strangers of different lands and tongues, to dry bones, to our weak hearts. Jesus promises his disciples that they will be accompanied by the Holy Spirit, and that this Spirit reveals the truth. We celebrate that we too have been visited with this same Spirit. Guided by the truth, we join together in worship, and then disperse to share the fullness of Christ's love with the world.*

With this in mind, let us go into our busy summer schedules keeping in mind that we are called to "Let the Spirit Lead"! Let's all work together to find ways to continue to grow our community, and to take extra time to get together! The Spirit is here, moving and working in and through our lives every minute of every day! Embrace that spirit and together we will find what wonderful journeys are next! Blessings to you all, and I can't wait to see you all!

Peace,  
Ben

## Tithe.ly

Tithe.ly is an online giving platform. You can download the app and easily give your offering or you can create an account via their website and give. You can use a credit/debit card OR you can set up ACH bank transfers to occur. (There is a very small fee for you, the member, to use the service.) You can also choose to "cover the fee" so the church gets your entire offering. You can also set up your giving as recurring so you don't have to worry about doing it every week or month. During these uncertain times, this has been a nice option so we can continue giving our offering and not impact our church budget too badly.

And of course, you can still send a check to the church if you prefer to provide your offering in that way.
