

God at Work

God is drawing us together through prayer, listening, and grace. Hearts are being softened, relationships strengthened, and our shared mission clarified—leading us forward in unity, renewed faith, and faithful service.

"We seek to glorify God by making disciples of ALL nations"

Decisions! Decisions! This little boy has to decide how he's going to spend his penny. Some of you remember the penny candy. For him, it's an important decision. You can see the frustrated look on the clerk's face as the boy tries to decide what to do. We make many decisions every day. Some are more important than others. Some important decisions can include our relationship with God, marriage, children, career, education, finances... Some less important decisions can be what time we're going to bed, what we're going to eat, or what we're going to wear. Decisions! Decisions! God desires to be involved in our decision-making process.

May we say with David, "Show me the way I should go, for to you I entrust my life." Ps. 143:8 God wants to offer us guidance and wisdom. He wants us to seek His will in the choices we make. May God help us to make slow, careful, prayerful, and biblical decisions. Whether the decisions you are facing are big or small, I encourage you to pray, "God, give me holy desires and establish my steps as I seek your will." Amen
