God at Work

There’s been a lot happening behind the scenes! Second Baptist has been hard at work preparing for their move onto this campus—sorting through details, making plans, and getting things ready for this next chapter. We’re grateful for all the work being done and excited to see how God continues to bring our two church families together.

“We seek to glorify God by making disciples of ALL nations”

What a peaceful setting! I want to sit in that swing. Too often, we don’t take the time to slow down and enjoy a time of relaxation and peace. When Cheryl and I built our house, we were excited about large front and back porches. We placed rockers on the front porch and comfortable chairs on the back porch. The back porch offers a beautiful view of the sunrise, and the front porch an amazing view of gorgeous sunsets. I am sad to say that we seldom take the time to sit and enjoy them. Yet, they invite us to come and relax, enjoy one another, experience the beauty of creation, and spend unhurried time in God’s presence and His Word. After the disciples returned from their mission trip and heard the sad news about John the Baptist, Jesus told them, “Come with me by yourselves to a quiet place and get some rest” (Mark 6:31). If we listen, Jesus may be saying the same thing to us. Mother Teresa once said, “We need to find God, and He cannot be found in noise and restlessness. God is the friend of silence.” Perhaps today you need to slow down, find a quiet place, and spend time with the Lord.
