

Fall 2025 Ladies Bible Study

This fall we will be studying the New Testament book of Ephesians using a book by Sue LeBoutillier. The book, *Finding Purpose*, will take us through eight weeks of learning about how God has a purpose and plan for each of us. We hope you will join us on Monday nights from September 29 through November 17 to learn, fellowship, and grow in our faith together. Please register for this study on our website and see the FAQs for more information.

FAQs

What is the time commitment involved in this study?

This is an eight week Bible study. We will meet on Mondays from 6:30-8:15. There will then be personal study to do throughout the week. This is divided up into five days, each taking 10-15 minutes.

What will a typical Monday night look like?

We will begin our night all together to watch the lesson on video. These range from 30-40 minutes. We will then break up into small groups for discussion of the lesson, going over the week's personal study, and time to pray together. Groups will wrap up between 8-8:15.

Can I choose my small group members?

Your small group is often an opportunity to get to know women you have not met before or deepen your relationships with those you already know. With that in mind, you will not be able to choose all your group members. However, if you are new to our Bible studies and were invited by a friend whom you'd like to be in a small group with, there is a space on the registration form to request that.

What is the cost of the book?

There are two options: we will purchase the book for you at the cost of \$10, or you can print the pdf for yourself. The author, Sue LeBoutillier, has made the pdf available online for free printing. Be aware that it will print as 91 pages. There is a link to this pdf in the registration information. Those registering late and wishing for us to purchase a book will be charged \$15 due to increased shipping charges.

What if I cannot come for 8 weeks?

Although we encourage everyone to attend all 8 weeks, we understand that life happens and sometimes you are unable to come. That is absolutely fine! The videos are available online so you could watch it at your convenience to get caught up if desired.
