MEMORY VERSE
“You made the world and everything in it.”
Psalm 89:11, NCV
**MORNING TIME**
This month let your child wake up to, “Good morning! God made another wonderful day for us to enjoy!” Throughout the day, lead your child in thanking God for the things you enjoy that God made.

**CAR TIME**
Since God made everything, let's turn Drive Time into a fun game of, “Look What God Made!” First, place your Creation Station hanging card on your rearview mirror. As you drive along, take turns naming things you see by saying, “God made the (name what you see)” and then see if you can name what day it was made. Look at your Creation Station hanging card to check your answers. Soon you’ll be a creation pro!

**PLAY TIME**
Make a family collage together of all the things God made. Cut pictures from magazines or print them from a computer and glue them to a piece of construction paper or white copy paper. Write the words, “God made it!” at the top and put it on the fridge. Talk about how no matter where we look we can see things God made, because God made everything!

**BATH TIME**
Help your child count his body parts during bath time this week. How many eyes did God make? One, two. How many fingers did God make? One, two, three ... ten! How many ears did God make? One, two. Continue doing this as long as your child is interested. End bath time by reminding your child that God made people, and He loves us very much.

**CUDDLE TIME**
Cuddle up with your child and pray. “Dear God, it is so amazing to think about how You made everything. Please help us to take a day to rest and enjoy all the things You made the way You did. Help us to work hard when it’s time to work and then rest when it’s time to rest. I pray tonight You will give (name of child) good rest. Help him to never forget that You made the world and everything in it. We love You, God. In Jesus’ name, amen.”

The community at TheParentCue.org was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we’re already spending together.

There’s an app for that:
**Parent Cue App** – centered around a monthly topic, this app sends weekly CUEs that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.
