Good Things to Know & Do

In-House Worship Guidelines

- All are welcome to worship at BPUMC! Please wear a mask while in the church. Bring your own or we have masks at every entry! Sanitize your hands and maintain physical distance whenever possible. The center sections of the Worship Centers offer seating in every pew although we request that you do your best to stagger seating and keep a two-cushion distance between family groups in the row.
- The side sections continue to offer every other pew seating while still maintaining a two-cushion distance between family groups
- The gallery offers an additional option with an even greater opportunity to distance while still participating in worship.
- After worship you are welcome to fellowship with friends outside the church.
- While transitioning through the church to worship or classes masks should be worn. Once seated and distanced by 6ft. your mask may be removed. If it is not possible to maintain a 6ft. distance – mask up, please!

Giving at BPUMC

- Your generosity is so very appreciated! There are three ways to give to the ministry of BPUMC. You may bring your offering to Sunday worship and leave it in the basket as you exit worship, mail your contribution to BPUMC, PO Box 99, Bemus Point NY 14712 or visit our website bpumc.com and click on “Giving”.

New or Returning to BPUMC? Have Questions?

- If you are new or returning to the church this morning we would love to meet you! Please join us outside & visit the Sunday School Sign-Up table following worship to make a connection.

Visit the Welcome Center this morning or call the church office for more information about these groups, or any other offerings and events at BPUMC.
