LUKE 23:44-56
LUKE 24:1-12

A true resurrection can only happen when there is a true death and burial.

Luke 23:44-56

**When Jesus was born, the sky was lit with the glory of God (Luke 2:9)...
when He died it was shrouded in darkness.**

There must be a cross before there is an empty tomb.

**Out of all the facts that surrounded the resurrection of Jesus, one stands out among the rest...
The stone rolled away from an empty tomb.**

Luke 24:1-12

**The stone rolled away wasn't so Jesus could get out,
it was so we could get in.**

When we stand in the empty tomb it tells us:

- **there is hope**
- **life is changed**
- **death is defeated**
