Luke 5:17-26

We believe in miracles.

Hebrews 13:8

1. Jesus came to bring revival.

Luke 5:18-19

2. Jesus came to fix our human condition.

Luke 18:9-14

3. This miracle reveals who Jesus is.

Luke 5: 24a

1. They were checking out Jesus (vs 17)
2. They were reasoning within their hearts as they heard Jesus speak (vs 21a)
3. They correctly analyzed the situation (vs 21b)

Compensating good works does not take away our sins.
