A Major Shift in the Book of Acts:

Acts Chapters 1-7

“Jerusalem”

The Church is:

- Born
- Connected
- Strengthened
- Tested

Acts Chapters 8-12

“Judea and Samaria”

The Gospel is:

- Spreading
- Multiplying
- Transforming
- Breaking Barriers

Acts 8:1-4

Acts 8:5-8; 12-13

The Early Church believed there were:

- No circumstances God couldn't use. (Acts 8:4)
- No people God couldn't use. (Acts 1:8)
 - When it came to reaching others the early church knew:
 - God was already speaking. (Acts 8:29-33)
 - God was already seeking. (Genesis 3:8-9, 15, 21; Acts 8:34-35)
 - God includes us when He is seeking others. (Acts 8:36-40)
 - God is responsible for the outcomes. (John 6:44)
