

**CONFIDENT**  
**9.19.21 – Pastor Ron Swor**  
**Philippians 1:3-8**

**The Family Business**

- God is our Father and the Head of our business.
- We are in a partnership (koinonia) with Jesus and others.
- Our product is the gospel of Jesus Christ.

**Be a thankful partner for God's work in community. (vv.3-5)**

- Paul was remembering from a prison cell about the church in Philippi. (Acts 16)
- When God redeems our memories, we see Him clearly doing His work in us and others.

**Be confident of God's work in you personally. (v.6)**

- God's work is...
  - a gradual work
  - a growing work
  - a good work
  - and a guaranteed work.

**Be aware that God's work is a practical work. (vv.7-8)**

- The practical proof that you are in God's family business is that you believe in the product.
