Pastor Ryan Egli

10.22.23

Created in His Image - How do I find out who I am?

1. We find out who we are when we experience God's truth.

Jesus is the same yesterday, today, and forever. Hebrews 13:8

2 Corinthians 10:12

Romans 12:2

Hebrews 4:12

2. We find out who we are when we declare God's Truth

Matthew 16:13-18

I don't find out who I am in the presence of people. I find out how I am in the presence of God.

When we have experienced and declared God's truth, we are ready to accept his image.

3. We find out who we are when we accept God's image
