WHO DO YOU SAY THAT I AM?
Pastor Ron Swor – 11.19.23

Marriage is between a man and a woman and is a covenant designed by God.

Genesis 2:15-25

God designed men to flourish when they work, cultivate and provide.

- Where do these activities best play out?
 - o In the home
 - o In the church
 - o In the community

The word "Helper" used in Genesis 2:18 is the same Hebrew word applied to God, and it means, "To come alongside and create strength."

Marriage is not defined by human laws, marriage is defined by God and His Word.
