

Emmanuel
Pastor Ryan Egli – 11.29.20

We can take time to remember the importance of God with us this year.

- God with us carries a deeper meaning this year than it has in more recent years

Three common names we give to Jesus

1. Emmanuel: Hebrew for God with us
 2. Jesus: Hebrew for deliverer, rescuer
 3. Christ: Greek for anointed one
- Reference Matthew 1:23

We can fully take advantage of the relationship available to those who remain in Him (God)

- Reference John 15: 5-7

No matter what we have going on, God has his hands in every part of our lives.

God has always been with us, and because of Jesus he now always is in us also.

- Reference Ephesians 1:13

Tabernacle: Hebrew for residence, or dwelling place.

Challenge:

Let the idea of Emmanuel, God with us, take a whole new meaning for you this year. Ask yourself “what does God with us mean to me.” And when was a time you know God was with you?
