

TONGUE AND INTERPRETATION

Dr. Michael & Pastor Diana Jacobs / May 26, 2019

Cast all your cares on me saith the Lord, for yourself, for your families, for this church, for the future, for this nation. I'm working mightily in this nation saith the Lord. I am working in this nation whether you like the President or not. You are required to pray for him. So begin to make intercession for him as you pray and believe that I am working behind the scene to bring things forth that will be very uncomfortable on peoples flesh, very uncomfortable on their carnal minds, but I'm bringing things to truth where there is rebellion. where there is resistance, where there are all kinds of things going on so that the truth will prevail, and the word can prevail and the light can shine even greater in this nation. The best days of this nation are yet ahead saith the Lord. Hallelujah. The money will come for the visions you have, the money will come for the churches you oversee, the money will come for the ministries you are in charge of. The money will come for you personally as you fall in love with me and draw close to me and live close to me, saith the Lord. For my spirit is in you to lead you and guide you and don't forget to rely on him to lead you in every area of life for he desires to give you purpose, he desires to give you strength, he desires to give you direction even in the tiniest of details saith the Spirit of God. So roll your care on me today, knowing I'm working in your behalf. Some don't see it so some don't believe it. All of you should believe it because I'm speaking to you now and take ahold of this by faith for I'm working in behalf of my people saith the Spirit. Hallelujah.

We shall prevail, truth shall reign. The churches shall rise up in this nation even in a greater measure. Revival is on the horizon, revival is here, its beginning and you will see it come to pass in many of your lifetimes saith the spirit of God. So don't lose hope, don't turn back. Begin to rely on me and let the Holy Spirit speak to you for I'm on the move. I'm on the move in this nation for my people have cried out to me, even many in this room, and besought me to help us and help this nation and help our government, help the people in charge. Get the wrong people out and get the right people in we ask it in the name of Jesus. Hallelujah.

Now don't be disturbed. ...or the unbeliever or those who say they believe but don't really believe, it will disturb you, but it doesn't have to be that way saith the Spirit of God. It doesn't have to be that way, you rely on me, you stay in my word until my word is in you. And when my word is in you the truth will speak through you and the truth will light you up and you will go forth in victory and strength and enjoyment, power and peace will be on you. Many will crumble in this day but let it not be said of us, let it not be said of us here, let it not be said of you that you submitted to that, but rather you fought the good fight of faith, and you lived by faith the best you know and as you learn more you will be required to know more so just receive faith, receive the word, receive this word today and it will stop a lot of things that trouble your mind. Some have said what about the economy, what about it? What about our government, what about it? What about this and what about that. What about it?, saith the Lord. I'm in control and I'm moving. Even the heart of the king is in my hand whether you believe it or not, that's what my word says. So you pray for him to make Godly decisions and the right decisions and to orchestrate his office with great power and dignity. Hallelujah. Hallelujah...
