

WEEK FIVE

Parents,

Did the COVID-19 quarantine significantly alter your teenager's plans with sports cancelations or graduation delays?

Many parents struggle to see their children in pain, so this week's brief video is **Responding to Crisis**. It gives you a few simple steps on how to guide your teenager through grief.

We also included the game, **Family Face-Off**. Simply click on the link and scroll through each question! (The answer key is at the end.)

I do hope our time in quarantine comes to a close soon. Until then, our church continues to support you. Please let us know if we can help in any way.

Grateful,
