

ARTHUR HARRIS
MISSIONARY TO THE
TURKS & CAICOS ISLANDS

September - October

Dear Brothers and Sisters in Christ;

Since my last letter a lot has taken place. The most important is 8 precious souls received Christ as Saviour. Let me highlight one of them.

I went out soulwinning on a Thursday evening and led 2 twins to Christ at age 35. They both received Christ that evening. They were physically born the same day and spiritually born the same day. Praise the Lord!

It is because of you that pray and give that God continues to bless the work here. We had 2 devastating hurricanes a week apart in September. A lot of damage to all the islands and people are still trying to fix their dwellings.

The Sunday School roof has to be repaired. The secretary sent out a letter a few weeks ago asking for your prayers and help. \$3600 has come in so far. Thank the Lord. We still need \$3000 more to put a metal roof on which is much stronger than the shingle roof we had. We have a metal roof on the church and no damage to it thank the Lord.

If you can help in this area it would be appreciated so much. Please send your gift to the supporting church and put in the memo Hurricane Fund.

I want to thank each and everyone of you for prayers and faithful support.

Till next time, may the Lord bless all of you real good.

Yours missionaries,

Arthur, Odeen, Hannah
