

ELIJAH'S BACKPACK

Journey Church has an opportunity to serve children in four elementary schools by partnering with Elijah's Backpack, a ministry that every weekend sends backpacks of food home from school with needy children who might otherwise go hungry.

The schools have identified 240 children who need food on the weekends. Currently, enough is donated for 60 children to receive food. That leaves 180 children who may not have adequate food on weekends! Journey's Mission Team is challenging our church family to lovingly and generously and sacrificially give to help feed these children.

Every Sunday you are invited to bring food to Northside High School and place it in bins. All of our Journey Groups will be provided with bins to collect food at their meetings and then bring the bins to Northside High School.

Here is a listing of food (individual serving sizes) to go into each backpack:
