

# ADVENTURES OF MINI MARTIN

Congratulations! You have the privilege of hanging out with Mini-Martin Luther this week. As a way to lift up and celebrate the 500th Anniversary of the Reformation, we are asking you to share photos of your time with Martin through the week. When you take your photos please text them to 574-533-5760 or email them to [faith@faithgoshen.com](mailto:faith@faithgoshen.com) and we will share some of the best on Facebook, on our Website and in our bulletin. Below are some photo challenges to complete throughout the week

showing you, Martin, and your family and friends. Use Luther's Small Catechism to help you! (You can download the app on your phone or we will give you a copy). If you complete all the challenges and bring Martin back next Sunday, you will receive a special gift for you and your family!

- In his Small Catechism Martin Luther wrote a prayer for Blessings at Mealtime. Say this prayer before and after dinner. Take a picture of Martin around your dinner table with your family.
- Martin also wrote prayers to say in the Morning and the Evening. Say each prayer at those times at least once this week and take a picture of Martin next to your bed. (Bonus points if he is hanging out with other stuffed friends)
- Read what Martin wrote about Baptism. Take a bowl of water and with everyone in your family make the sign of the cross with the water on each other's foreheads. Remind one other "You are a beloved Child of God." Don't forget to take a picture of Martin participating.
- Did you know Martin translated the entire Bible into German? Read your favorite Bible Story in your favorite translation. Take a picture of Martin reading it with you.
- Martin once said, "God writes the Gospel not in the Bible alone, but also on the trees, and the flowers, and the clouds and the stars." Take a picture of Martin out in nature at a place where you see God.
- Martin started the Reformation by nailing 95 Theses to the church door. Take a picture of Martin with a hammer or by the coolest looking door you can find.
- Martin loves to have fun! Must be why Lutherans are so much fun! Take pictures of Martin on a fun adventure of your choosing.
