

WORSHIP MUSICIAN

PAY RATE: \$125 per service played

HOURS: weekly on Sunday mornings, plus occasional weekday services

PURPOSE: The Worship Musician is responsible for the musical leadership for Worship at Faith; including being responsible for the administration and organization of the Worship Music Program at Faith Lutheran Church.

RESPONSIBILITIES: The Worship Musician will be required to do the following:

- Provide musical leadership for our weekly worship service; including preludes, offertories, liturgies, and hymns.
- Be able to play either organ, piano, and keyboard, as the worship service or song choice dictates.
- Be available to provide music for mid-week Lenten services and non-Sunday holidays; such as Holy Week and Christmas Eve.
- Work with the Director of the Bells of Faith to schedule times of special music for Sunday morning worship services, as well as any other special non-Sunday worship services, such as midweek during Lent and Christmas Eve.
- Schedule and work with cantors for worship as needed.
- Work with the Worship & Liturgy Committee to select hymnody for worship; that is based upon the lectionary, church season, or themes selected for worship and is from primarily, but not limited to our Lutheran hymnbooks (ELW and WOV).
- Provide musical leadership for funerals or weddings as need and as able; arrange other musicians for funerals and weddings if unavailable.
- Oversee the care and maintenance of the grand piano.
- Be active in recruiting and encouraging members of the congregation to participate in any music activities and support their participation.
- Participate and attend Worship & Liturgy Committee meetings.
- Other duties as assigned by the Pastor and Council.

QUALIFICATIONS & SKILLS DESIRED:

- Ability to play organ, piano, and/or keyboard. Organ skills are preferred but not required.
- Manage and teach musical volunteers
- Christian attitude
