St. Martin of Tours, Fife
Annual Parish Report

2025-2026 Fiscal Year
July 1, 2025 - June 30, 2026

What a blessing this past year has been!

While there have been plenty of challenges and bumps in the road, this year has been a time of growth and even **thriving for our Parish Family**. Large and robust Sacramental Prep programs, Parish activities and ministries, and multicultural celebrations such as…

Our Lady of Guadalupe...

Simbang Gabi...

and San Lorenzo Ruiz.

We have also had some meaningful opportunities for all three Parishes and two schools in our Parish Family to come together as one, most especially with **our pilgrimage to St. James Cathedral** for the Holy Year.

What a unifying experience it was for all of us in our wonderful diversity to walk through those Holy Doors together as fellow pilgrims.

I am grateful to everyone who helped us to thrive this past year! Most especially, our amazing team of priests, our Parish and school employees, members of the Parish Family Advisory Council (PFAC), and all of our amazing volunteers who, together, help to build God's Kingdom here in this time and place. Thank you!

Please continue to pray daily for the One Parish Planning process, as we continue moving forward in becoming one canonical Parish.

In Christ,
Fr. Cal Christiansen
