

## THE PARABLE OF THE PRODIGAL SON

Pastor Paul Taylor

January 10, 2021

Luke 15:11-32

**Big Idea:** God the Father has great compassion for His people and rejoices when one repents from sin and turns to Him.

1. The Profligate Son [11-19]
2. The Compassionate Father [20-24]
3. The Angry Brother [25-32]

This Week

Read: Luke 15:1-32

Reflect: What is the sin of the younger son? What is the sin of the older son? What attributes of God are revealed in the father of this parable? How do I relate to the sons?

Respond: Pray and ask that the Holy Spirit would enable you to forgive as you have been forgiven. Pray that any religion and legalism in your heart would be rooted out and replaced with compassion for others.
