

Friday: July 10, 2020

Discovery Church Family,

I want to update you on our Sunday morning services and some changes that are happening this weekend. The elders and I have decided to hold our services outdoors on the lawn of our church property the rest of the summer, weather permitting. We will be holding **one** service at **9am**. We will be providing children's ministry for ages 0 - 2nd.

In case of bad weather, we will move the service indoors and require masks for everyone who is over the age of 12. We are requiring masks inside of our building for everyone over the age of 12. This requirement is based on the Order of the Missoula County Health Officer that was issued on Thursday July 9th requiring face coverings. If you would like more details, you can read that order on the Missoula County website.

If you will be attending the in-person service, please bring your camp chair for seating on the grass. Please bring a mask in case the service is moved inside because of bad weather. If you are unable, we will have chairs for outside seating and will have masks available if we move the service indoors.

If you are unable to attend the 9am service, we will be recording the service in both video and audio. A video of the service will stream at 10:30am on our website (discoveryalliancechurch.com). It will also be available anytime for a replay after the service.

If you have any questions please contact us through our church office email at office@discoveryalliancechurch.com or call (406) 728-2754.

Grace and Peace,
Pastor Paul Taylor
