What Kind of Fruit is Jesus Looking for in Our Lives?

Mark 11:11-18

Jesus followed up Palm Sunday with two acts of judgment:

1. Jesus _____ a fig tree! (Mark 11:12-14)

2. Jesus _____ the Temple! (Mark 11:15-16)

The condition of the Temple was an indication of the spiritual condition of the entire nation of Israel:

- I. The religion of Israel had become _____!

- II. The people had lost their _____ for God!
(Mark 11:16)

III. Israel was resting on a false sense of _____! (Mark 11:17)

3 Kinds of Fruit Jesus is looking for in our lives:

1. A person has the right kind of fruit when their walk with Jesus is _____ and not a _____!

2. A person has the right kind of fruit when they long for God to be _____ and they hate it when God is _____!

3. A person with the right kind of fruit is someone who has a _____ to see others come to know the Lord.
