## ABOUT ECC CHILDREN'S MINISTRY

- All classes are taught in English.
- If your child is unable to communicate adequately in English, he/she will find these classes too challenging. We advise you to attend a suitable church.
- As this is indeed a labor of love from all our volunteers, we strongly encourage that while your children are with us, you would join our 'larger church family' and attend our church services. By doing this you will share in our vision and ministry to your children.
- Please encourage your child to use the toilet before we start. This will minimize any disturbances during class.
- Once a child leaves Children's Ministry the child's safety and care is the responsibility of the parents.
- Children will need to be picked up promptly after church.
- We do not encourage any children to leave the class half way through, unless parents have pre-arranged it with the teachers.
- Photos/videos may be taken of the children for Evangelical Community Church promotional purposes. These photos will not be shared on our website or on social media without the parent's consent as requested above.

I have read and understood the above statements. In the event of an emergency, if I cannot be reached, I authorize first aid and/or medical treatment for this child and I release Evangelical Community Church from any and all responsibility in connection therewith.
