Message from ECC Elders' Board

Please report to ECC if you are suspected or confirmed to have infected coronavirus and have attended our Sunday worship previously.

Let us continue to trust in our Lord's protection and provision during this difficult time around the world.

1. In view of the latest development of the coronavirus situation in Hong Kong, ECC will continue to implement the following Health Precautionary Measures until further notice.

Sunday Worship Services (at YMCA 4/F)

2. We would hold our worship service at YMCA 4/F on **March 22 at 9:15AM and 11:00AM**. Worship arrangement is subject to change according to the coronavirus development. Please check ECC website and Facebook for latest arrangement before going to Sunday worship service.

In order to help contain the spread of the coronavirus, you are kindly requested to stay at home and come back to join our worship service at a later date if -

- **you or your family members come back to Hong Kong from Mainland China or overseas recently and are under home quarantine or medical surveillance.**
- you are frontline healthcare professionals who need to be self-quarantined; or
- you are sick with flu symptoms.

For other high-risk groups including chronically-ill, you are recommended to come to join our service at a later date to protect your own health.

3. For those who stay at home, you are encouraged to worship with us through the live feed on the ECC online Facebook page (<https://www.facebook.com/EvangelicalCommunityChurch>).

4. We would be grateful if you would wear a mask during the service and use hand sanitizer before you enter the worship hall. ECC staff/volunteers would implement deep cleansing measures after gatherings and meetings in the office and Hankow MC.
