

January 2022

Dear Parents of K5 – 5th Grade Students,

Please fill out the information below and submit it online OR to the school office in the attached envelope **by Wednesday, January 26, 2022. This is your application for scholarship funds to offset your child’s tuition (\$250.00).** We need everyone’s participation!

Background Information. Georgia has an income tax credit for those who contribute to private school education scholarships. At the beginning of each year, scholarship funds are received at The Golden Dome Scholarship Fund, Inc. (designated for Crossroads) and then distributed to the school to offset student tuition. These funds allow us to reduce the cost of a private school education for our qualified students.

What Happens Next. When we receive your signed documentation, it will be submitted to Golden Dome. Golden Dome will issue a check made out to the school and the qualified student’s parent. The school will automatically deposit the check into the school account and credit your child’s account.

If you have questions, please contact the school office.

Sincerely,

Diana Waldrep
Principal
