 BUD'S NOTES

I want to thank each of our members who helped with the Block Party event last Saturday. The Lord gave us great weather, although some of us got a little hot, it was a very good day. It takes many, many people to put an event like that on and it be successful. Thank you if you came on Thursday to help build the stage. Thank you if you came on Friday to set up the tents. Thank you if you came at 8 am on Saturday to set up and thank you if you served in a Ministry tent, led a game, helped in registration, served in the medical tent or any of the other special areas.

We had a lot of families out of town last Saturday so it took a sacrifice from many to make it successful. Usually the most difficult area to get people to serve is tearing down an event and putting it all away. But I was thrilled to see so many stayed to help put it all away in the hottest part of the day, especially since I was seeing double by that time. We had a good turnout although not as many as we wanted.

We received a good number of requests for more information on the church from guests. I spoke with one lady who said "It is great to see a church that is willing to put this much effort into sharing the Gospel." So thank you church for getting involved and serving in this outreach event. Thank you for sharing the Gospel!!

HRES CAREER FAIR
Wednesday, June 28
 Speakers are needed to come share about their careers with our students. If interested, please email Cindy Natale, HRES School Counselor
