We will find out the cutoff date for ticket sales soon.

### **A.C.T.S KIDZ DAY**

We want to thank everyone that helped with the KIDZ DAY Bible Club last Saturday. We ended up with 17 kids, almost all of which were from the Preschool, the surrounding neighborhoods or invited by our members. The kids were great and seemed to really understand the Power Band by the end of the day. As I asked questions in the worship time, they had answers ready for what each color of the Power Band represented. What a great opportunity to share with these kids and their parents the love of Jesus and the power of salvation offered to each of us. Our Sunday School class will sponsor two more within surrounding neighborhoods during the summer. This is a great opportunity to participate in local missions. Thanks again to the A.C.T.S Sunday School class and all those who helped with this project!!
