

*Love may, indeed, love the beloved
when her beauty is lost: but not because it is lost.*

*Love may forgive all infirmities and love still
in spite of them: but Love cannot cease
to will their removal.*

*Love is more sensitive than hatred itself
to every blemish in the beloved...*

*Of all powers love forgives most, but condones least:
love is pleased with a little, but demands all.*

~ C.S. Lewis (revised)
