

Theme: It's Your Choice!

June 5, 2016

- 1) Imagine never having money worries again.
 - a) God never tended for his people to have to worry about having their basic human needs met: food, clothing, and shelter.

- b) Just as we have to choose between life and death to experience eternal life, we have to choose between prosperity and disaster to experience prosper in Christ.

- 2) Choosing prosperity means choosing God's prosperity plan.

- a) God offers the only true guaranteed financial results available on Earth.
 - i) There are principles that we have to follow in order to experience God's highest rewards.

- ii) Here's the dilemma for many Christians: You've accepted God's plan and expertise for eternal life and spiritual matters, but not his plan for the natural life and financial matters.

- b) Being "blessed" is something the world system cannot offer.

- i) Being "blessed" means having supernatural power working for you.
