“And how are they to hear without someone preaching? And how are they to preach unless they are sent?” – Romans 10:14-15

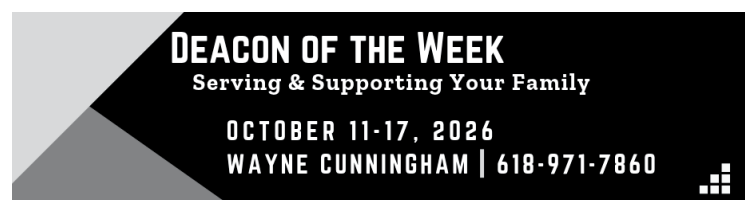

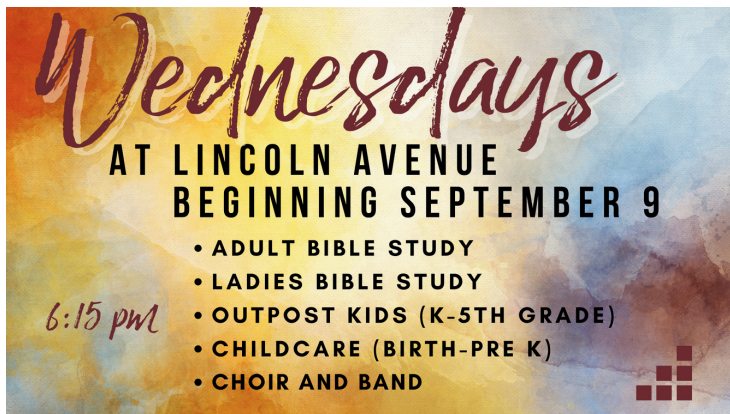

This summer we began a Preaching Lab designed to help men in our church grow in their ability to faithfully proclaim God’s Word. The goal was never simply to complete a class though; the goal was to equip men for ministry.

I’m excited to see the fruit that is now being produced beyond the classroom. Just in the months of September and October we’ve seen six different men from our church providing pulpit supply to three different churches in our area. And this work will continue in the coming months.

Please be in prayer for each of these men as they continue to put the skills they’ve learned into practice. Pray that they would faithfully handle the Word of God while in the pulpit. Pray that they would be a source of encouragement to these congregations. And above all please pray that through their efforts others would be pointed to Christ, and the hope of salvation only found in Him.

It’s clear that the class may be finished, but the ministry is just beginning.

—Pastor Richard
